## **DETAILED ACTION**

### ***Response to Applicant's Arguments / Amendments***

This Office Action is responsive to the amendment filed on 6/25/07. Claims 1, 2, 3-22 are pending. Claim 3 has been cancelled. Claims 1, 10, 17 have been amended. Claims 20-22 are newly added claims.

In light of the amendments made to the claims, the former rejection has been withdrawn. Upon further search and consideration, the instant claims are allowed.

### ***Examiner's Statement for Reasons of Allowance***

The following is an examiner's statement of reasons for allowance: the closest prior art of record fails to teach or fairly suggest the recited apparatus for washing items comprising a first wall and second wall such that they are disposed perpendicularly to a longitudinal axis of the house and define first, second, and third compartments, within a generally cylindrical mesh housing, inter alia. Independent claims 1 and 22 identify these uniquely distinct features of an apparatus for washing items.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
